

7th Interscholastic Student HIV & Sexual Health Research Symposium 2021

Wednesday, 23 June 2021 | AUT South Campus

AUT Child & Youth Research Centre (CYHRC) is pleased to host the seventh annual interscholastic student HIV & Sexual Health research symposium, following previous successful events at University of Auckland and Massey University. This symposium showcases student projects and brings together HIV and Sexual Health researchers and stakeholders within New Zealand. This is a free symposium, with no fee for registration or participation. Morning tea and lunch will be provided. The symposium takes place at AUT South Campus.

Who should attend

University students, staff and interested community members are invited to attend. All attendees must register through the registration link for onsite attendance or via email for attendance via Zoom. Spaces are limited.

AUT Child & Youth Health Research Centre is part of the
AUT Public Health and Mental Health Research Institute.
